FISCAL REVIEW

November 29, 2006

Mr. Jim White, Director  
Fiscal Review Committee  
8<sup>th</sup> Floor, Rachel Jackson Bldg.  
Nashville, TN 37243

Attention: Leni Chick:

RE: Bureau of TennCare Contracts Submitted for Fiscal Review

Dear Mr. White:

The Department of Finance and Administration, Bureau of TennCare, is submitting for consideration by the Fiscal Review Committee amendment #6 to the Electronic Data Systems Corporation and EDS Information Service, L.L.C., RFS 318.65-080. This competitively bid contract provides Development, Implementation and Replacement of the TennCare Management Information System (TCMIS). This amendment comprises two major components of service, the extension of the current contract Facility Management of the TCMIS and additional services outside the scope of the original contract. The extension of current Facility Management services comprises 40% of the total amendment expenditures. These services include all of the daily operational components required to provide Medicare/Medicaid and Fee for service health care to the 1.1 million Tennessee residents enrolled in TennCare. In order to maintain these services to TennCare enrollees during the development, procurement and implementation of the required replacement contract for our current facility manager (EDS), we requested the extension of the current contract services in order to prepare for this transition. The remaining 60% of the expenditures include two categories of additional components to the Facility Management contract. The first addresses the federally mandated requirement that all health care providers within the United States possess a unique National Provider Identification (NPI) number. The Code of Federal Regulations requires the implementation of NPI by May 27, 2007. This requires TennCare to modify all systems in order to identify all providers using the NPI. This modification to our systems is funded by 90% Federal Funds Participation. The second component of additional services identifies areas outside the scope of services specifically listed in the original contract. These ancillary components of the amendment indirectly address areas TennCare is responsible for adhering to judicial decrees, as well as improved operational efficiencies.

Additionally, TennCare is submitting for review amendment #1 to QSource Center for Healthcare Quality, RFS 318.65-205, the competitively bid contractor providing External Quality Review of TennCare Managed Care Organizations, Behavioral Health Organization and the Dental Benefits Manager. This amendment provides an additional component of comprehensive quality assurance and quality improvement including elderly and disabled Home and Community Based (HCBS) programs in Tennessee. The elderly and disabled waiver programs include the Statewide HCBS Waiver for the Elderly and Disabled as well as the Program of All-Inclusive Care for the Elderly (PACE) Program. TennCare's Long Term Care Program is mandated by the Centers of Medicaid and Medicare Services (CMS) to provide quality assurance and quality improvement programs. We feel it is in the best interest of the State to rely on an already established contractor to perform these critical oversight functions until a competitively awarded contractor can be identified solely for the elderly and disabled. Funding to support this one year amendment is \$179,820.00.

The following Managed Care Organizations (MCOs) are being amended to provide extension of term as well as funding to support this extension. Additionally, the amendment provides the following modifications to current MCO language: (1) Fraud and Abuse language clarification, incorporating CMS requirements as they relate to enrollee hospice care; (2) In response to request from Fiscal Review, incorporates revisions to requirements of current Conflict of Interest language; (3) clarification of Systems Requests including Disaster Recovery Plan; (4) Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the Tennessee "Children's Act for Clean Indoor Air of 1995," includes language prohibiting the MCO or any provider from smoking tobacco products within any indoor premises in which services are provided pursuant to individuals under the age of eighteen (18) years; (5) Prohibition of Illegal Immigrants, per the requirements of Public Acts of 2006, Chapter Number 878, of the state of Tennessee, addressing the use of illegal immigrants in the performance of services to the state of Tennessee and (6) revised reimbursement requirements for non-participating emergency providers in accordance with the Deficit Reduction Act.
